Claims 1-21 are now pending, before this Examiner's Amendment below.

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this Examiner's Amendment was given in a telephone interview with Earle Jennings on 4/26/05.

The application has been amended as follows:

- (a) Claim 10, line 7, the word "slider" has been changed to "arm";
- (b) claim 12 has been canceled.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance. As discussed extensively in the Interview held on 7/30/03 and in the amendment filed 8/9/03, the claims are directed to a ground plane on the "head arms" of the actuator arm, not to the load beams (or flexures) per se, as known in the prior art. This feature, as set forth in the claims, is not taught or reasonably suggested by the prior art of record, as discussed during prosecution. Additionally, for clarification, claim 15 includes all of the limitations of claim 14.

DRAWINGS

3. With respect to the drawings, the drawing sheets filed on 8/9/03 included new FIGs. 4A & 4B and a marked up FIG. 3A; a replacement sheet (marked as such by the Examiner) including FIG. 3A, 3B & 3C, was filed on 4/11/05; the original drawing sheets including FIGs. 1 & 2 are considered acceptable as well. All drawings sheets are now considered acceptable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian E. Miller whose telephone number is (571) 272-7578. The examiner can normally be reached on M-TH 7:15am-4:45pm (and every other friday).
